

Honeywell Product Overview

Handheld Scanner

Product	Xenon 1900 / 1902	Voyager 1400g	Voyager 1200g	Voyager 1202g	Voyager 1250g	Hyperion 1300g	Voyager 9520/40	Fusion 3780	Eclipse 5145
Description	Page 64	Page 65	Page 65	Page 65	Page 66	Page 66	Page 67	Page 68	Page 68
Characteristics	<ul style="list-style-type: none"> Sixth generation omni-directional area imager Powerful Adaptus Imaging Technology Multi-interface: USB, KBW and RS232 in one device Remote MasterMind compatible Perfectly usable as presentation scanner (version including stand) 	<ul style="list-style-type: none"> 1D area imager for handheld and presentation modes Productive: high speed omni-directional scans Withstands drops from 1.5 m; protection class IP42 	<ul style="list-style-type: none"> New generation of the best-selling laser scanner in the world Use as hand or presentation scanner Multi-interface: USB, KBW and RS232 in one device Aggressive reading for damaged or small barcodes 	<ul style="list-style-type: none"> Reliable Bluetooth scanner with up to 10 m range Also reads badly printed or damaged bar codes Long battery operating period (up to 12 hours / 45,000 scans) Multi-interface: USB, KBW and RS232 in one device Memory storage when out of range to receiver cradle 	<ul style="list-style-type: none"> Reliable hand and presentation scanner with professional scan engine Multi-interface and optional stand CodeGate Technology for precise scanning Multi-interface: USB, KBW and RS232 in one device Remote MasterMind compatible 	<ul style="list-style-type: none"> Highly ergonomic linear imager Extremely robust: no moving parts thanks to linear imager technology Multi-interface: USB, KBW and RS232 in one device Remote MasterMind compatible 	<ul style="list-style-type: none"> Hand-held laser scanner with included accessories Successor model to MS951 Model 9540 with CodeGate for targeted scanning 	<ul style="list-style-type: none"> Presentation hand-held scanner Very handy and suitable for various applications 20 line Omni-directional scan pattern Switch to single scan line for menu reading CodeGate button for menu reading 	<ul style="list-style-type: none"> Entry-level version Hand-held laser scanner with CodeGate/CodeSense for standard and high-density codes
Special Features	Optional in a healthcare version with disinfectant-ready housing Version developed to read coloured bar codes/images	Simple upgrades for PDF and 2D barcodes	Perfect For all POS applications as hand-held or presentation scanner	Plug & play connect and start working Paging function to find misplaced scanners Easy-to-exchange rechargeable battery	Reads bar codes at a distance up to 44.7 cm Top performance even with difficult-to-read bar codes	Up to 270 scans per second	For all POS applications as hand-held or fixed scanner	Scanner stand and cables included	Also suitable for small bar codes, bar code lists/ menus (targeted scanning)
Warranty	60 months / 36 months	60 months	60 months	36 months	60 months	60 months	60 months	36 months	36 months
Barcodes	All standard 1D and 2D	All standard 1D and 2D	All standard 1D	All standard 1D	All standard 1D	All standard 1D	All standard 1D	All standard 1D	All standard 1D

Handheld Scanner

Wearable Scanner

Stationary Scanner

Product	3800i / 3820i	Granit 1910i / 1911i	8650	HX3	Product	Horizon 7600	Stratos 2700	StratosH 2300	Stratos 2400
Description	Page 69	Page 71	Page 71	Page 71	Page 72	Page 72	Page 72	Page 72	Page 73
Characteristics	<ul style="list-style-type: none"> Linear imager with fall and impact resistant housing (drop height 2 m) Sealed against dust and moisture (IP54) Multi-interface: USB, KBW and RS232 in one device Remote MasterMind compatible 	<ul style="list-style-type: none"> 2D high performance imager with industrial housing Efficient: triple feedback for noisy environments Top reading performance thanks to Adaptus 6.0 Imaging Technology 	<ul style="list-style-type: none"> Practical Bluetooth finger scanner for higher productivity Flexible and mobile barcode capture Transmission via Bluetooth, range: 10 m 	<ul style="list-style-type: none"> Perfect for hands-free warehouse picking and small parcel move applications Large Eyes-Free Keypad: Simplifies the completion of common tasks 	<ul style="list-style-type: none"> Professional barcode scanner for integration in cash desks (projection scanner) 21,500 scans per second for quick barcode capture Deluxe hybrid in-counter scanner Multi-interface: programmable connection types 	<ul style="list-style-type: none"> Integrated omni directional laser scanner and 2D area imager 21,500 scans per second for quick barcode capture Deluxe hybrid in-counter scanner 	<ul style="list-style-type: none"> Bi-optical installation scanner with two separate scan modules 360° scanning, 6-sided 5280 scan lines/sec. Multi-interface: RS232, IBM, USB 	<ul style="list-style-type: none"> Bi-optical installation scanner with two separate scan modules 360° scanning, 5-sided 5400 scan lines/sec. Multi-interface: RS232, IBM, USB 	
Special Features	Available as cable and Bluetooth version	IP65 protection and reliability under extreme -30 °C to 50 °C	1D laser scanner or 2D imager scanner	Enables working in temperatures as low as -40°C	Durable and lightweight cast aluminium housing	EAS antenna and optional integrated scale	Optionally with integrated scales, EAS antenna	Checkouts with high product throughput; EAS antenna	
Warranty	36 months	36 months	12 months	12 months	36 months	24 months	36 months	24 months	
Barcodes	All standard 1D	All standard 1D and 2D	All standard 1D, 2D (optional)	use 8650 Bluetooth Ring Scanner	All standard 1D	All standard 1D and 2D	All standard 1D	All standard 1D	

Honeywell Product Overview

Presentation Scanner

Product	Genesis 7580g	QuantumT 3580	Orbit 7120/7180	Vuquest 3310g	Solaris 7820
Description	Page 74	Page 74	Page 75	Page 75	Page 74
Characteristics	<ul style="list-style-type: none"> Presentation area imager for all 1D, 2D and PDF bar codes Aggressive reading from monitors and mobile devices Top reading performance thanks to Adaptus 6.0 Imaging Technology 	<ul style="list-style-type: none"> Compact presentation scanner with sturdy housing Optional single-line mode 	<ul style="list-style-type: none"> Presentation scanner with hand-held scanner option Winner of several design awards Optional version with CodeGate available (MS7180) 	<ul style="list-style-type: none"> Extremely compact area imager Multi-purpose: portable or fixed installation Aggressive pass-through scanning enhances productivity 	<ul style="list-style-type: none"> Vertical mini-slot scanner Reads high density bar codes Capacitive Switch Technology
Special Features	Multi-interface connectivity to reduce total cost of ownership	Flexible base provides ideal adjustable angle	For cash desks with a shortage of space	Intelligent multi-interface with automatic recognition Reads bar codes from displays	Visual display of system functions Multifunctional RS232 auxiliary port
Warranty	24 months	36 months	36 months	24 months	24 months
Barcodes	All standard 1D and 2D	All standard 1D	All standard 1D	All standard 1D and 2D	All standard 1D

Mobile Data Collection

Product	ScanPal 5100	Dolphin 6000	Dolphin 6100	Dolphin 6500	Dolphin 70e Black
Description	Page 76	Page 76	Page 76	Page 76	Page 77
Characteristics	<ul style="list-style-type: none"> Ergonomic terminal for versatile operation Simple operation with a single hand Microsoft Windows CE 5.0 Core 	<ul style="list-style-type: none"> Extremely handy scanphone Includes a 1D laser scanner. 2D-reading provided thru the camera Microsoft Windows Mobile 6.5 	<ul style="list-style-type: none"> Integrated 2D area imager or affordable 1D laser scanner Robust construction in mobile phone format (IP54) Windows CE5.0 	<ul style="list-style-type: none"> Versatile multi-application mobile computer Integrated 1D laser scanner or 2D imager with Adaptus 5.0 technology Windows Mobile Embedded Handheld 6.5 	<ul style="list-style-type: none"> Powerful hybrid of smartphone and mobile terminal Integrated 2D imager and 5 megapixel camera Microsoft Windows Embedded Handheld 6.5; Google Android version 4.0
Special Features	Angled 1D scanner or 2D imager (option)	3 mega pixel/auto focus/flash LED; optional 2D bar code scanning software available	Bluetooth 2.0 integrated as standard, Wi-Fi (802.11b/g) optional	Bluetooth as standard, optional Wi-Fi (802.11b/g) 28-key numeric keypad and 52-key alphanumeric keypad	Voice and data transfer via WWAN, Wi-Fi, Bluetooth and NFC
Warranty	12 months	12 months	12 months	12 months	12 months
Barcodes	All standard 1D and 2D	All standard 1D and 2D	All standard 1D and 2D	All standard 1D and 2D	All standard 1D and 2D

Mobile Data Collection

Product	Dolphin 7800	Dolphin 99EX/GX	Marathon	MX9	Tecton/Tecton CS
Description	Page 77	Page 78	Page 79	Page 78	Page 78
Characteristics	<ul style="list-style-type: none"> Compact and robust terminal for mobile operation Reliable 2D imager WWAN, Wi-Fi, GPS and Bluetooth Windows Mobile Embedded Handheld 6.5, Android 2.3 	<ul style="list-style-type: none"> Extremely robust construction (IP67) Integrated 2D imager using Adaptus 6.0 technology Microsoft Windows Embedded Handheld 6.5 	<ul style="list-style-type: none"> Fully fledged portable PC with bright touch screen Lightweight: less than 990 g and a height of 3.3 cm Hard-wearing and robust: IP65-rated 	<ul style="list-style-type: none"> Rugged mobile terminal (IP67-rated) Top network connectivity thanks to WWAN, Wi-Fi and Bluetooth Sensational 12-hour battery life 	<ul style="list-style-type: none"> High-quality handheld terminal for mobile workers Robust housing (IP65-rated), large touch display and reliable performance Resists airborne and spilled chemical agents
Special Features	Optional healthcare version 30-key Numeric & DSD, 46-key QWERTY, AZERTY, QWERTZ and Arabic IMD keys	Integrated Wi-Fi 2.11a/b/g/n) and Bluetooth; opt.: GPS, GSM & HSPDA Available as gun (99GX) and healthcare (99Exhc) version	Top communication with WWAN, WLAN and Bluetooth	Special version available for cold storage operation Optional imager for 1D and 2D barcodes	Available as special cold storage version
Warranty	12 months	12 months	12 months	12 months	12 months
Barcodes	All standard 1D and 2D	All standard 1D and 2D	All standard 1D and 2D (option)	All standard 1D and 2D (option)	All standard 1D and 2D (option)

Vehicle Mount Collection

Product	Thor VX8	Thor VX9	Thor VM2
Description	Page 79	Page 79	Page 79
Characteristics	<ul style="list-style-type: none"> Robust vehicle computers for warehouse and production Strengthened magnesium housing with IP54 and IP65 ratings) 	<ul style="list-style-type: none"> Robust vehicle computers for warehouse and production Wi-Fi standard, WWAN and Bluetooth optional 	<ul style="list-style-type: none"> Practical smart dock for swift device exchange 5 doubly-programmable quick access keys Robust vehicle terminal with 9.7" touch display (IP66)
Special Features	Optionally available for cold storage usage	Optionally available for cold storage usage	Perfect for indoor and outdoor use
Warranty	12 months	12 months	12 months
Barcodes	-	-	-
